If a horse is sold on the grounds outside the sale ring, a commission still needs to be paid to the sale barn, even if it was a no-sale horse.

Terms and Conditions: Fees/Charges: Consignment Fee of \$50⁰⁰ must accompany entry. This fee includes no sale fee. All horses are charged \$3 vet/yardage. Commission on horse sales is 8%. 3% handling applied to credit card purchases (MC/Visa accepted). **If horse is withdrawn or no sale, consignor is still obligated to pay consignment fee. If a horse that has been advertised by BPWE is scratched and is not transferred to the next comparable sale, there may be additional charges up to a \$200 advertising fee.** A horse that dies or is injured may require a vet certificate to be excluded from these charges. **Negative Coggins Test:** A horse without a current negative coggins may be charged \$17 if blood is drawn at the sale. Cribbers, weavers and other soundness issues need to be called.
